

POLICY FOR RENTAL OF VACUUM TRUCK

The vacuum truck and crew will be available to those living within the Springdale Planning Area and those living within the Springdale Taxing Boundary. The following rates shall apply.

Springdale Taxing Boundary:

The Town of Springdale will include fall cleaning of septic tanks to residents living within the taxing boundary in its regular fall work schedule for a fee of **\$250.00 (hst included)**. This fee will apply once every four years. Should a resident require cleaning within this four year period, emergency call out rates (**see below**) shall be charged.

Springdale Planning Area:

The Town of Springdale will rent its vacuum truck to residents living within its Planning Area for a fee of **\$395.00 (hst included)** on a call-out basis only during the fall cleaning season.

- A minimum of two days notice is required.
- The minimum deposit must be submitted with the request for service.

This fee will apply once every four years. Should a resident require cleaning within this four year period, emergency call out rates will apply.

Emergency Call-out:

During regular working hours a minimum flat rate of **\$395.00 (hst included)** shall be charged for the first four hours of work. Each additional hour will be billed at a rate of **\$90.00** per hour. All charges will be calculated from the time the unit leaves the depot until its return.

Property Owner's Responsibility:

It will be the responsibility of the property owner to all necessary prep work for clean outs. The Town of Springdale will not be held liable for any damages done during normal cleaning activities.

Unanimously approved by Council at its regular meeting January 09, 2012.
