

Green Bay Welcomes You!

Calling all Physicians and Nurse Practitioners! Opportunity awaits in beautiful scenic Green Bay. As you cross the island portion of Newfoundland and Labrador, you will encounter a stretch of highway that passes through a breathtaking stand of tall birch trees, followed by a stone fence, proclaiming “Welcome to Scenic Green Bay.”

Green Bay Region Details:

Located in Central Newfoundland, serving a population of 12, 000 in 20 communities, Green Bay offers an abundance of recreational/leisure opportunities, a safe and supportive place to raise children, and opportunity for professional independence. The Communities of Green Bay are currently looking to add new family physician to the Green Bay Health System in the Municipality of Springdale. The municipalities of Green Bay have joined forces to offer a robust incentive package to attract Dr’s and Nurse Practitioners to this region. With it’s newly constructed, state of the art hospital, it’s vibrant rural lifestyle opportunities and a competitive incentive package, Green Bay proves to be an attractive place to live, work and play.

Incentives:

The municipalities and businesses of Green Bay have developed a competitive recruitment incentive package which include flexible financial incentives and complimentary access to a wide variety of recreation services such as fitness memberships, summer swim programing, and winter family skating to name a few. For further information see contacts below.

Medical Students :

Looking to start your medical career? We would like to connect with you. Let us showcase our community and highlight the many benefits of setting up a practice in Green Bay. For more information see contact information below.

Remuneration:
