New Business

Park building update

The design is done and has gone through Service NL. Another door had to be added for accessibility. The shell should be up before winter.

Budget

Deputy Mayor Edison suggested that each committee should start working on the budget.

Softball field

Councillor Rideout noted that the softball infield needs to be back dragged before the tournament this weekend

Recreation Director Newbury is in the process of getting pricing to replace the gravel on the field.

Slipway

Councillor Tizzard was wondering if there can be cribbing put on the slipway in Island Rock Cove like what's being done on the Young's slipway.

68A Main Street

Mayor Goudie noted that the residents living on the lane noted that the Town tore up the asphalt four years ago and it was never replaced.

CAO Sparkes noted that there was a new top put on.

There was some discussion on this and would it be possible for the public works department to lay some asphalt so the residents don't continue to get gravel in their driveways.
